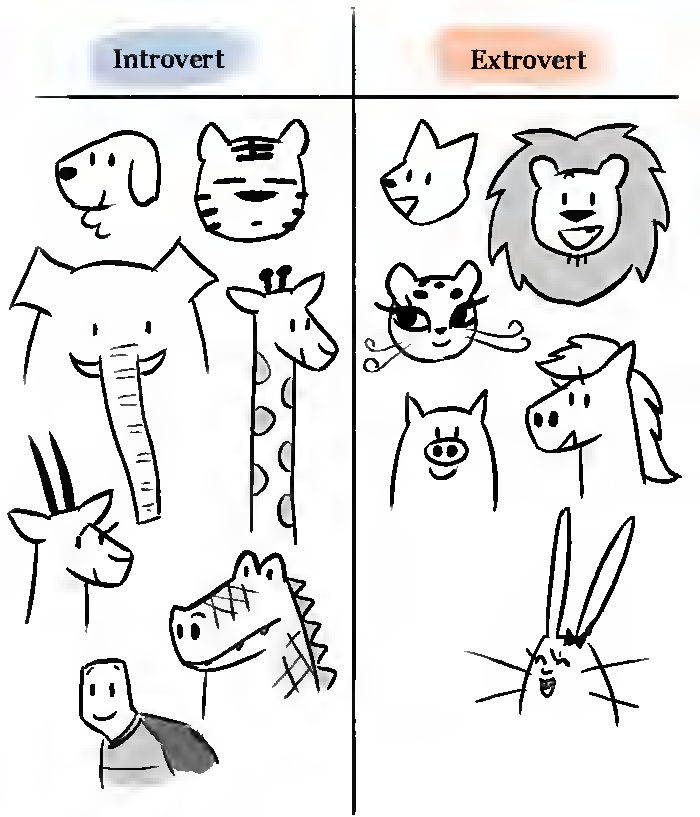
Roar Street Journal
personality quiz results

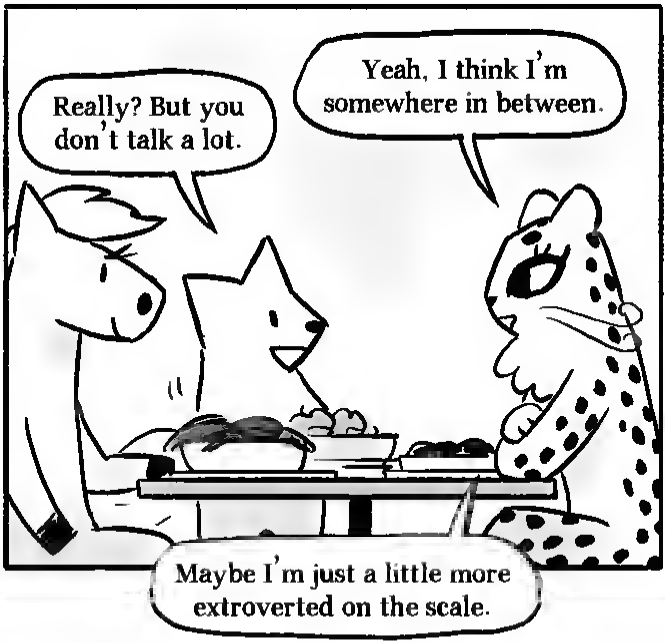


Introverts prefer one-on-one conversations with close friends.

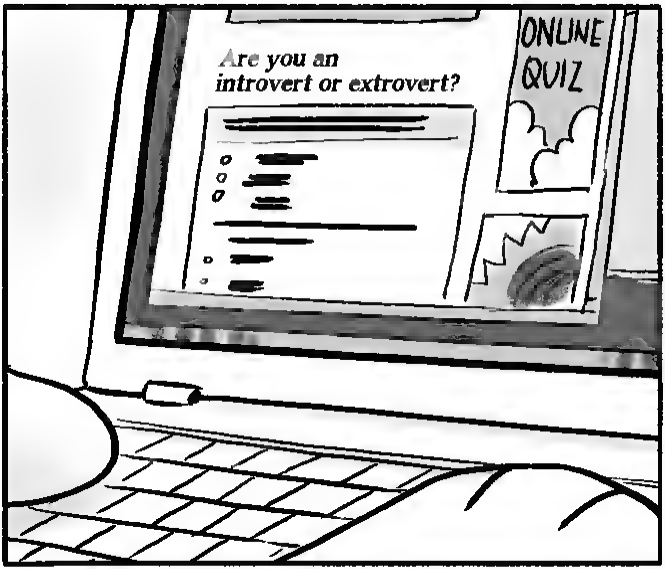
Extroverts enjoy chatting with a large group.

Introverts work best alone, away from distractions.

Extroverts are energized by others and enjoy teamwork.



Really? But you don't talk a lot.
Yeah, I think I'm somewhere in between.
Maybe I'm just a little more extroverted on the scale.



Are you an introvert or extrovert?
ONLINE QUIZ

Hey guys, what did you get in the personality quiz?
I'm totally an extrovert, haha!

We don't have a national animal but the

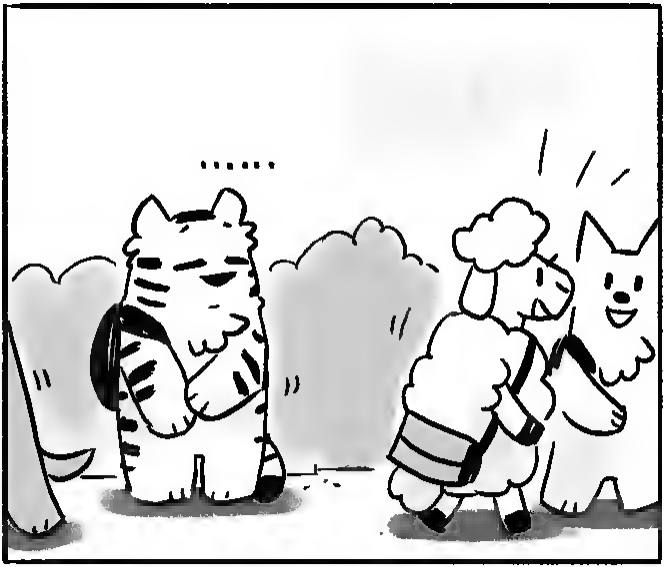
Chinese White Dolphin is unique to this place!

hahaha
I can't concentrate in this crowded room...

Introverts find it difficult to make new friends and adapt to a new environment.

Extroverts love making new friends and feel comfortable in any environment.

Little Tiager & little Leo's first day at primary school



.....

Hello! My name is Leo!!
Hi!

ROAR STREET JOURNAL

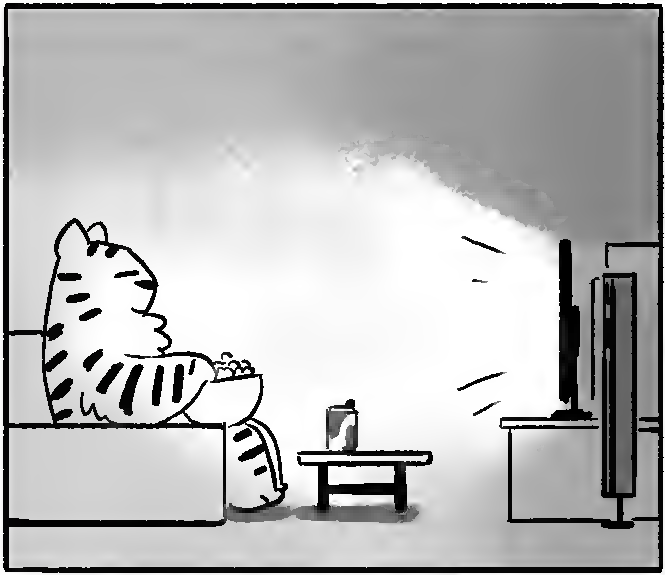
Introvert or Extrovert?

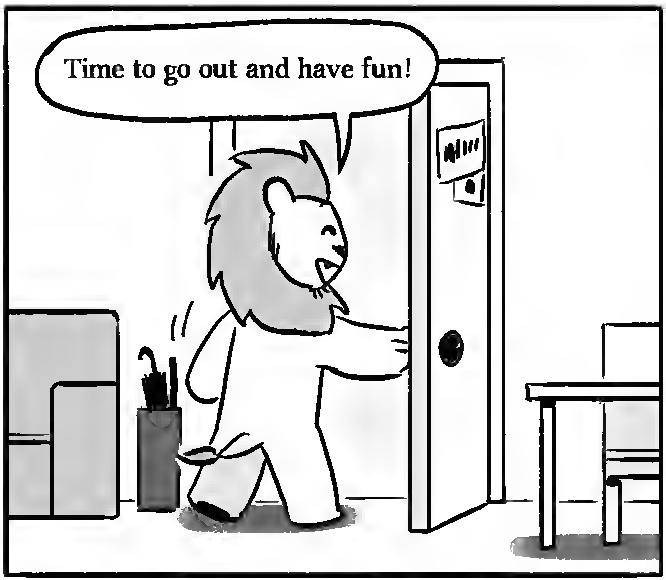
We like to define ourselves as introverts or extroverts.

Introverts enjoy solitude.

Extroverts love socializing.

LINE Webtoon





Time to go out and have fun!

I got extrovert too!

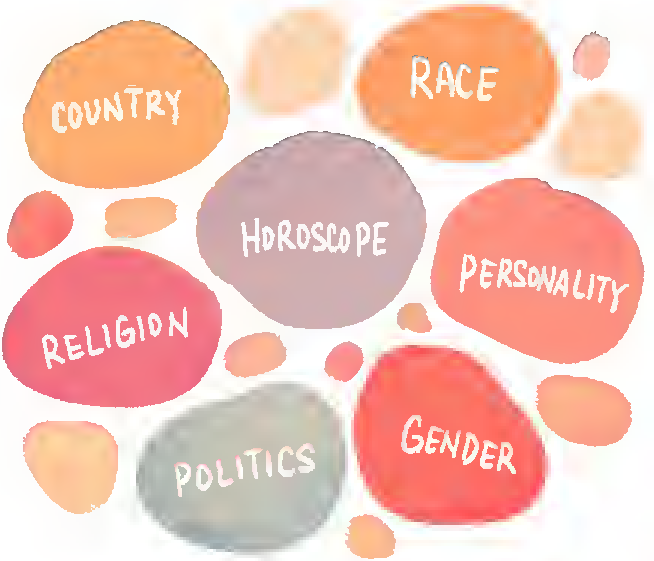
Our personalities are way more complex

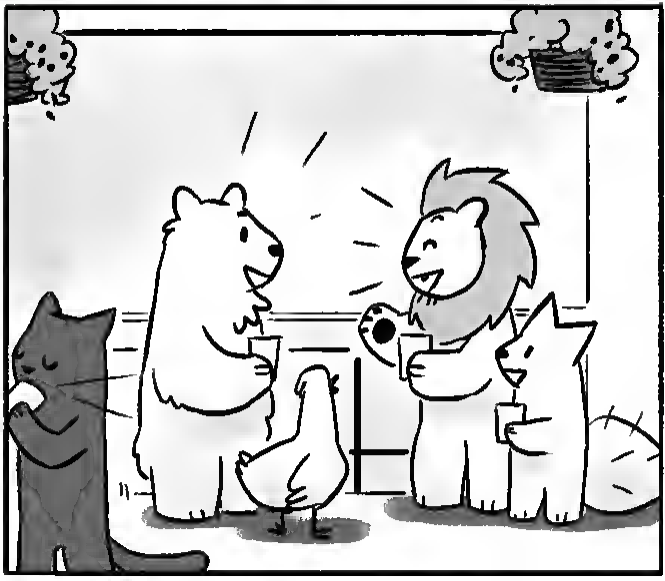
to be defined by a single word.

We love to classify ourselves into different categories,

as if it would make us feel safe

belonging to a certain group.





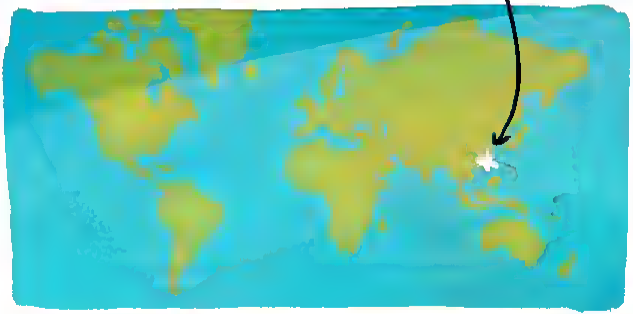
Introverts prefer staying in.

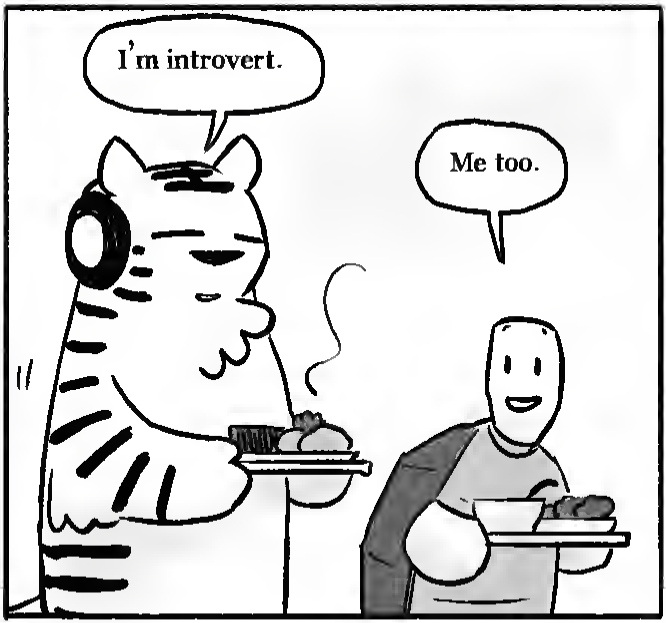
Extroverts prefer going out.

ROAR STREET JOURNAL

I will start with myself first!

I come from Hong Kong.

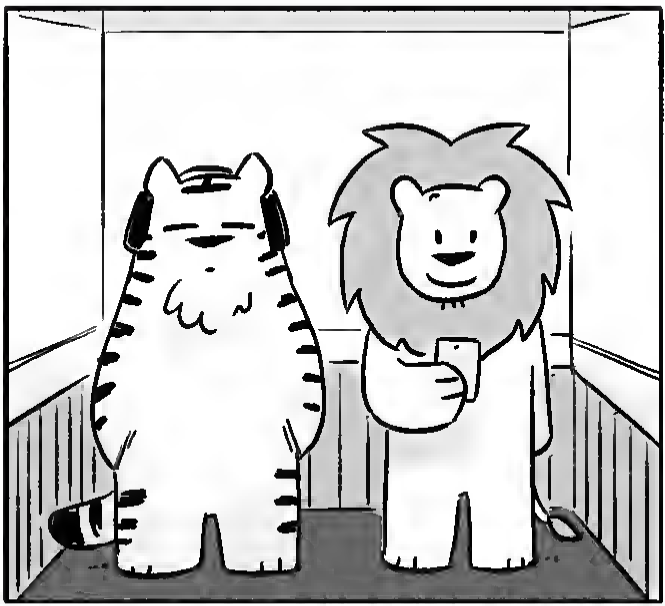




I'm introvert.
Me too.

Extrovert!
Same here.

They seem to be the opposite of each other.



However...there is no such thing as

a pure introvert or a pure extrovert.
